

## Upside Down

A\*Teens

lyricstraining

My grades are down from A's to D's

I'm way behind in history

I lost myself in \_\_\_\_\_

Of you and me together

I don't know why - I - I but dreaming's all I do

I won't get by - I - I on mere \_\_\_\_\_

\_\_\_\_\_ down

Bouncing off the ceiling

\_\_\_\_\_ out

Stranger to this feeling

Got no clue what I should do

But I'll go \_\_\_\_\_ if I can't get next to you

To you

My teacher says to \_\_\_\_\_

So what- his name was Peter the Great

The kings and queens will have to wait

Cause I don't have forever

I wish that I - I - I could walk right up to you

Each time I try - I - I the same old \_\_\_\_\_

\_\_\_\_\_ down

Bouncing off the ceiling

\_\_\_\_\_ out

Stranger to this feeling

Got no clue what I should do

But I'll go \_\_\_\_\_ if I can't get next to you

To you

Somehow someday

You will love me too

One day will be the day when all my \_\_\_\_\_ come true

\_\_\_\_\_ down

Bouncing off the ceiling

\_\_\_\_\_ out

Stranger to this feeling

Got no clue what I should do

But I'll go \_\_\_\_\_ if I can't get next to you

\_\_\_\_\_ down

Bouncing off the ceiling

\_\_\_\_\_ out

Stranger to this feeling

Got no \_\_\_\_\_ what I should do

But I'll go crazy if I can't get next to you

But I'll go crazy if I can't get next to you

But I'll go crazy if I can't get next to you
