# Childhood Days

When my parents ……..(be) at school, there ……..(not be) technological devices. There ……..(not be) computers or mobile phones, there ……..(be) a lot of books in the classroom. My father´s school bag ……..(not be) modern. When he……..(be) at primary school, his uniform ……..(be) white and his shoes ……..(be) black. The school ……..(be) very different from now. My mother ……..(be) in a "school for girls" . Yes in that time there were some schools only for girls and some schools only for boys. In general, they ……..(be) religious schools.

My mother´s best friend ……..(be) Luisa, she is my aunt in law now. My parents say they ……..(be) very happy at school in their time, and they say that education ……..(be) better and that they ……..(be) excellent students (I don´t believe it)-

The family routine ……..(be) different too, My father ……..(be) at work, we ……..(be) at school and my mum ……..(be) at home, but we ……..(be) at the table at 1:00pm for lunch. Lunch and dinner ……..(be) the two big events for the family in that time.

There ……..(be) only one TV in the house and it ……..(be) usually in the living room, in some houses there ……..(be) two, one in the living room, and one in the dining room. The TV ……..(be) black and white (OMG!!!) there ……..(not be) Instagram, twitter or Facebook. There ……..(not be) Internet!!! ….and they are alive!!!. I cannot imagine that world.
