

# Sequencing

Number the sentences to show the correct order.

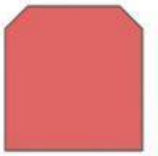

Now they have a beautiful dollhouse.

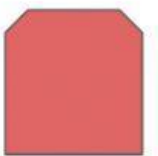

Joy and Becky worked for two days building their dollhouse.

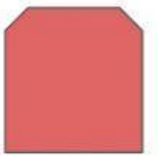

They put their dolls in small cribs in the living room.

They got cardboard, glue, coloured paper and a pair of scissors.

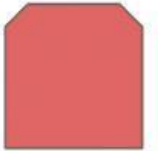

Joy and Becky planned to build a dollhouse.

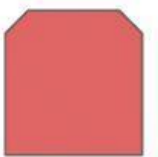

# Sequencing

Number the sentences to show the correct order.

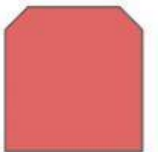

The teacher walked into the classroom and sat in her chair.

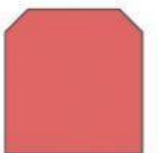

She then asked the pupils to bring their homework.

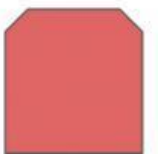

The bell rang for classes to begin.

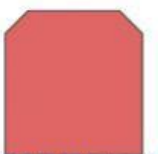

She opened the register and called the names of the pupils.

Those who did the homework went up to her desk.

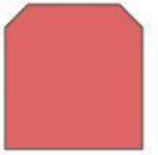

Those who were present stood up as their names were called.

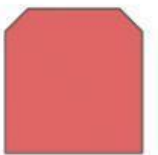

# Sequencing

Number the sentences to show the correct order.

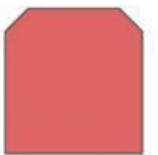

He then sprinkled water onto all the plants.

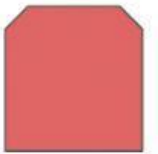

The gardener placed the hose on the water tap.

He opened the tap for the water to flow.

He closed the tap and took off the hose.

Jack told the gardener to water the plants.
