MEMO

There have been some problems at school recently. A number of students have been (1) **losing** / **cutting** classes and have been seen in the town centre during school time. As you know, this is not even permitted during free (2) **times** / **periods**. Regular (3) **attendance** / **arrivals** is vital for a student's progress, therefore you are reminded of the importance of (4) **writing** / **taking** the register regularly. This not only identifies absentees but flags up general (5) **regularity** / **punctuality** issues. Students who are continually late will be put in (6) **detention** / **confinement**. Such problems should also be (7) **raised** / **touched** in any tutorials you have with your students as it is important for our students to develop (8) **own-** / **self-**discipline at this stage. Please remind them that the first lesson of the day is compulsory and not optional. Another issue we need to be aware of is that students are increasingly (9) **forging** / **creating** sick notes to get out of sports activities or to be allowed to take (10) **time** / **periods** off school or fake doctor's appointments. Please be vigilant.
