

# PROPERTIES OF MATERIALS

## 1. Write the correct words:

We can classify materials as \_\_\_\_\_ and \_\_\_\_\_.

Raw materials are those that exist in \_\_\_\_\_ and we use as they are.

We transform raw materials to make \_\_\_\_\_ with different properties.

## 2. Using raw materials we can get processed materials. Join the raw material with its processed material.

### Raw materials

### Processed materials

## 3. VOCABULARY. Drag and drop the correct word

\_\_\_\_\_

Wood

Glass

Carboard

Metal

Rubber

Fabric

Cotton

Leather
