

HIBERNATION

What do animals do in winter? Many of them hibernate – they hide and go into long winter sleep.

Where do these animals hide for hibernation?

squirrel

hedgehog

snake

rabbit

turtle

frog

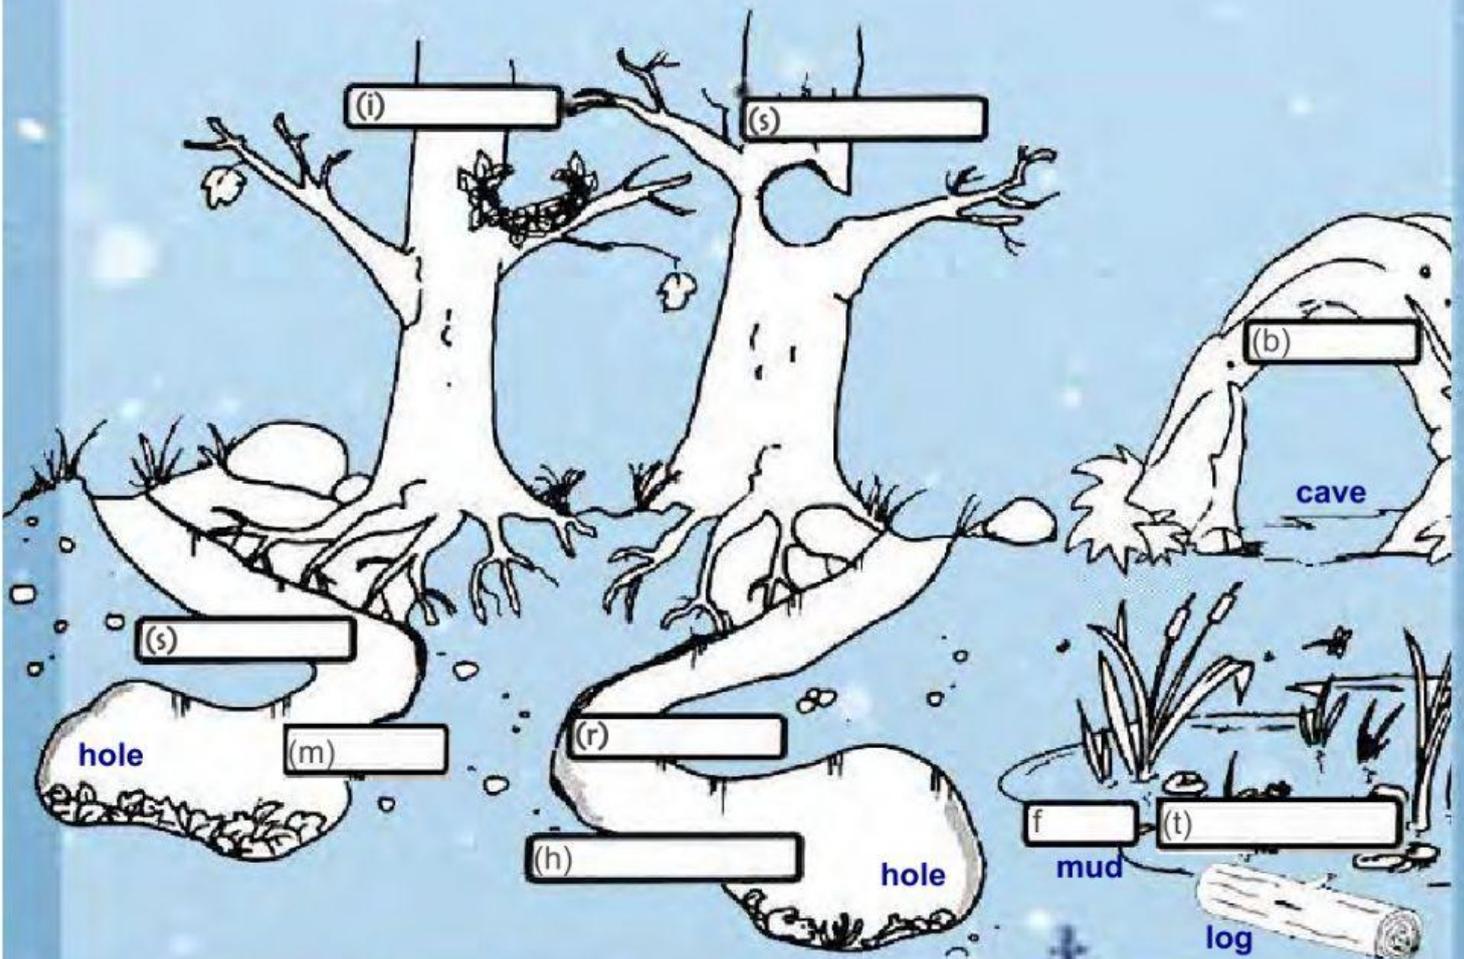

mice

insects

bears

ANSWER THE QUESTIONS:

What animals hibernate in winter?

- | | | |
|------------------------------------|------------------------------------|------------------------------------|
| <input type="checkbox"/> bears | <input type="checkbox"/> rabbits | <input type="checkbox"/> insects |
| <input type="checkbox"/> foxes | <input type="checkbox"/> turtles | <input type="checkbox"/> squirrels |
| <input type="checkbox"/> hedgehogs | <input type="checkbox"/> all birds | <input type="checkbox"/> lions |
| <input type="checkbox"/> snakes | <input type="checkbox"/> tigers | <input type="checkbox"/> camels |
| <input type="checkbox"/> wolves | <input type="checkbox"/> mice | <input type="checkbox"/> frogs |

What animals migrate in winter?

- | | | |
|------------------------------------|-------------------------------------|------------------------------------|
| <input type="checkbox"/> some fish | <input type="checkbox"/> some birds | <input type="checkbox"/> some mice |
|------------------------------------|-------------------------------------|------------------------------------|

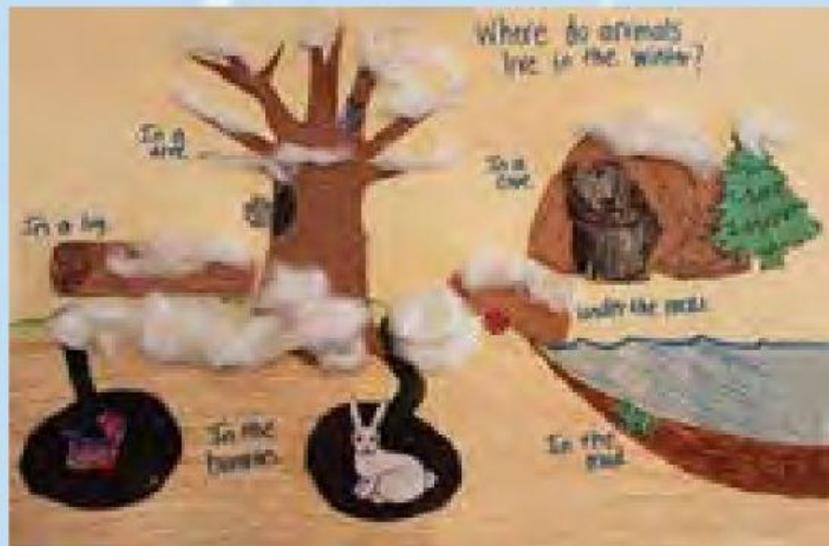

What do squirrels store for winter?

- | | | |
|----------------------------------|------------------------------------|----------------------------------|
| <input type="checkbox"/> nuts | <input type="checkbox"/> flowers | <input type="checkbox"/> carrots |
| <input type="checkbox"/> berries | <input type="checkbox"/> mushrooms | <input type="checkbox"/> milk |

What do animals use to make warm bed?

- | | | |
|---------------------------------|---------------------------------|---------------------------------|
| <input type="checkbox"/> cotton | <input type="checkbox"/> leaves | <input type="checkbox"/> sticks |
|---------------------------------|---------------------------------|---------------------------------|

Draw a picture of hibernating animals.
Take cotton and glue and imitate snow that covers the trees and the ground.

IT'S WINTER SOON. IT'S COLD.
WHERE CAN THEY HIDE?
PLEASE HELP THEM FIND A WARM
HOME TO HIBERNATE TILL SPRING.
