Hello!

I'm Sophia. I like doing activities in my free time. I like sports. I play football with my friends every afternoon. I also like to play video games. In summer I do outdoor activities. I like riding horses or swim. In winter I prefer indoor activities such as watching TV. One of my favorite activities in winter is the movies. I go to the movies every weekend.

The diagram shows a rectangular domain with a central square hole. The domain is divided into four quadrants by a vertical line at $x=0$ and a horizontal line at $y=0$. The central square hole is centered at the origin with side length $2a$. The outer boundary is a square with side length $2b$. The domain is labeled with x and y axes, and the hole is labeled with a . The outer boundary is labeled with b .
