A. Solve the division to find the number.

Figure Me Out!

My age:
 $18 \div 2 = \underline{\quad}$

My birthdate:
 $8 \times \underline{\quad} = 24$

My shoe size:
 $\underline{\quad} \times 7 = 5$

The number of
pets I own:
 $15 \div 3 = \underline{\quad}$

The number of people in my family:
 $60 \div 10 = \underline{\quad}$
