2 Look, read and choose the questions.

Kath has got 40 euros. She wants to buy some toys for her grandchildren, Layla and Jack. She wants to buy one toy for Jack and one toy for Layla. Jack likes animals so she buys the monkey. Layla likes sport so she buys the ball.

- How much money has Kath got?
- How many toys does Kath want to buy?
- How much is Jack's toy?
- How much is Layla's toy?
- How much are Jack and Layla's toys together?
- What is Kath's change from 40 euros?
