

Site safety

Vocabulary 1 Look at this illustration. Circle the health and safety problems you see.

2 You are an inspector. Look at the illustration in 1 again. Tick (✓) good or cross (X) bad for 1–6 in this report. Then write the problem for each using the words in the box.

boots children fall helmet ladder mask oil skip trip welding

		Good	Bad	Problem(s)
1	Waste			
2	PPE			
3	Access			
4	Vehicles			
5	Signs			
6	Equipment			

Speaking 3 Work in pairs. Compare your reports in 2.

4 Find a new partner. Take turns to describe a problem on a construction site. Is the problem in the illustration in 1?
