Interview with Aleksandr Ivanov

Last weekend our journalist met Olympic skier Aleksandr Ivanov to ask him about his life and work.

Experience

I'm from St Petersburg in the north-west of Russia but I'm living in Alberta, Canada at the moment because it's where some of the greatest skiing teachers are. My wife and three children are still at home but I'm going to go back to Russia in two months. I learned to ski when I was four years old and that's normal for Russian children because it always snows a lot in winter. I was lucky because a famous skier, Oleg Semenov, knew my father and together they helped me to get better and better until I could ski at the highest level. Because I travel a lot, I've learned a lot of languages – English, German and French. I think French is the easiest.

Lifestyle and tastes

I work hard. I get up at 5 a.m., go to the gym for two hours, then go out in the snow for 5 or 6 hours every day. I eat healthily and I haven't drunk any alcohol for many years. At home in Russia, I have dinner with my family in the evening. I often cook the meal because I find it helps me to relax. Sometimes we go out to the theatre, but most evenings I prefer to relax at home and listen to classical music or watch a film on TV. I also play the piano – my wife says quite badly – and I enjoy taking photos. There are some of my photos in one of the art galleries in St Petersburg.

Places

I have fallen in love with Canada. The Nordic Centre where I train is in Canmore, Alberta and the mountains here are fantastic. I'm going to come back next year. Another favourite place is Geneva in Switzerland. Of course, I've been there to ski but I've also visited in summer when it is very sunny and warm. It's an interesting city but it isn't cheap so you can't go out every night. There's a lot to see and last year I had a nice surprise when I found a beautiful Russian church. I feel very comfortable in Geneva.
