C. Answer the questions below according to the text!

Malala, a courageous girl

Malala Yousafzai is an activist for female education. She is the youngest Nobel peace prize winner. She was born in Mingora, Pakistan, on July 12<sup>th</sup>, 1997. In 2009, she started writing a diary about living under Taliban rule. They destroyed school for girls and prohibited girls from going to schools. She then wrote all about her fears and concerns in her diary.

Soon she became very famous in Pakistan and began to talk about the rights of girls to have an education. The Taliban did not like her activity. In October 2012, someone shot Malala in the head and neck. She survived the attack although it took her about three months to recover. Two years after the attack, Malala won the Nobel Peace Prize. Malala's courage and achievement they become an inspiration for many people.

1. Who is Malala Yousafzai?
2. Where is she come from?
3. What made her famous?
4. When did she win the Nobel Peace Prize?
5. What do we learn from her experience?

--- Believe in yourself, you can make it! ---
