Listening

- 3 ★ You are going to hear a radio interview with Michelle Whiten, who works at a local hospital. For each question (1-5) choose the best answer (A, B or C).

- 1 Michelle works as a
A doctor. B nurse. C receptionist.
- 2 Michelle says that headaches
A are normally easy to treat.
B are no reason to go to the doctor.
C take a long time to go away.
- 3 Michelle says that people often sprain their ankles while
A going for a walk. B making food.
C in their homes.
- 4 The interviewer believes that aspirin
A is a very popular treatment.
B can't help someone with a sprained ankle.
C can't relieve pain as much as having a rest does.
- 5 People who suffer from a minor ailment
A usually worry too much about it.
B should seek advice immediately.
C often do not need to see a nurse or a doctor.
