COLORS LISTENING

1- Listen and complete the music lyrics.

I woke up to the
morning sky first
Baby ....., just like we
rehearsed
When I get up off this
ground
I shake leaves back
down to the .....,
brown, brown
Till I'm clean

Then I walked where
I'd be shaded by the
trees
By a meadow of .....
For about a mile I'm
headed to town, town,
town
In style

With all my favorite
.....
All my favorite colors
My sisters and my
brothers, see them like
no other
All my favorite colors

It's a good day to be a
good day for me
A good day to see my
favorite .....
My sisters and my
brothers, they see them
like no other
All my favorite colors

Now take me to the
otherside
Where the baby .....
birds fly
In ..... clouds, or
..... walls
Or ..... skies, we gon'
fly, feel alright

Now we gon' woo, woo,
woo, ya
They sound like woo,
woo, woo, ya
The least I can say, I
anticipate
A homecome parade as
we renegade in the
morning

With all my favorite
colors
All my favorite colors
My sisters and my
brothers, see them like
no other
All my favorite .....

All my favorite .....
All my favorite colors,
yes, m'am
My sisters and my
brothers, see them like
no other
All my favorite colors

It's a good day to be a
good day for me
A good day to see my
favorite colors
My sisters and my
brothers, they see them
like no other
All my favorite .....
