Reading

1. Read about these two friends:

**Tania and Liv are best Friends, and they love going to the gym. Let's join them!**

Tania Jones is a sixteen years old teenager from New Jersey. She is a very active and healthy girl; she loves working out with her best friend Liv. They have a very busy schedule because they exercise every day.

Every Monday and Wednesday, they meet at 3 pm to go to their CrossFit class in a Gym called "Evolution". They often train from 3 to 5; so, they finish very exhausted. On Fridays, they usually go running in a big park near Liv's house. On Tuesdays and Thursdays, they go to acrobatic gymnastics classes.

Tania really enjoys her routine, but her favorite class is acrobatic gymnastics. She learns new tricks with Susan, her teacher. Susan is a really innovative and creative teacher. Liv's favorite activity is CrossFit. She participates in competitions once a month.

On Saturdays, Tania and Liv relax. Sometimes, they go to the movies, or hang out with friends. On Sundays, they usually have lunch with their families, and do their homework. During their spare time, they also read books or magazines.
