The importance of Reading

Another reason, reading can give us pleasure too. When we are tired, we read books, newspaper or magazine on the entertainment column such as comedy, short story, quiz, etc. To make us relaxed.

Thesis

I personally think that reading is a very important activity in our life. Why do I say so?

Argument 1

From the facts above, it's obvious that everyone needs to read to get knowledge, information and also entertainment. Or in summary we can say reading is truly important in our life

Argument 2

Secondly, by reading we can get a lot of news and information about something happening in any parts of the world which can we see directly

Argument 3

Finally, reading can also take us to other parts of the world. By reading a book about Irian Jaya we may feel we're really sitting in the jungles not at home in our rooms.

Argument 4

Firstly, by reading we can get a lot of knowledge about many things in the world such as science, technology, sports, arts, culture, etc written in either book, magazine, newspaper, etc.

*Education is as important as healthcare system for children, which can affect the future of next generation. Here's the reasons why education is important.*

*There are plenty of reasons why education is important. Generally speaking, they all tie closely to a person's goals in life and to their future well-being. Below are some of the other most common reasons education is so important.*

*First, education \_\_\_\_\_ a person hone their communication skills by learning how to read, write, speak and listen.*

*Second, education \_\_\_\_\_ critical thinking. This is vital in teaching a person how to use logic when making decisions and interacting with people (e.g., boosting creativity, enhancing time management).*

*Third, education helps an individual meet basic job qualifications and \_\_\_\_\_ them more likely to secure better jobs.*

Fourth, education \_\_\_\_\_ gender equality and helps empower girls and women. A World Bank report found that an extra year of schooling for girls reduces teen pregnancy rates by six per cent and gave women more control over how many children they have.

Fifth, education \_\_\_\_\_ child mortality. According to UNESCO, a child born to a mother who can read is 50 per cent more likely to survive past the age of five.

Based on the arguments above, it is demonstrated that education is indeed significantly involves in shaping future human resources' quality

\_\_\_\_\_ that mobile phones are necessary. My reasons for this belief are that these phones are convenient for business people who travel a lot, and they are handy for emergencies.

### D. How to write Argument?

Rearrange the jumbled words below into a good sentence.

As we all know, cars create pollution, and cause a lot of road deaths and other accidents.

\_\_\_\_\_ (world – firstly – pollution - the – cars – in – contribute). Cars emit a deadly gas causes illnesses such as bronchitis, lung cancer, and trigger of asthma. Some of these illness are so bad that people can die from them.

\_\_\_\_\_ (is – busy – secondly – the – very – city). Pedestrians wander every where and cars commonly hit pedestrians in the city, which causes them to die. Cars today are our roads biggest killers.

\_\_\_\_\_ (noisy – thirdly – are – cars – very).

If you live in the city, you may find it hard to sleep at night, or concentrate in your homework, and especially talk to someone.

In conclusion, cars should be banned from the city for the reasons listed.
