After checking in at the hotel and leaving all our luggage, we started exploring the city. One of the top attractions that you have to visit in London is the Big Ben Tower. However, the tower was closed for renovation and would not open until 2021. Anyway, we also took a lot of pictures with the Tower under repair. We also visited Buckingham Palace and watched the Changing of the Guard ceremony. It took place at 10:45. We were lucky to arrive early so we got spots with a really good view. We planned to visit the British Museum in the afternoon but we spent so much time in Hyde Park so we decided to leave that spot for the next day. It was a tiring but fun day!
