1. Read and say true or false.

Narrator: Joel and Daisy want to make a birthday cake for Alfie. They're looking for a recipe with Joel's dad.

Daisy: Look at this chocolate cake.

Dad: Very nice! But it's too difficult. What about this cheesecake with strawberries?

Joel: Wow, yummy... But Alfie doesn't like cheesecake.

Daisy: What about this blueberry cake?

Dad: Wow! That looks delicious!

Joel: And Alfie loves blueberries.

Daisy: Great! Let's make this cake. If you look in the fridge,

Joel, I can write a shopping list.

Joel: OK, what are the ingredients?

Daisy: We need butter. Is there any butter?

Joel: No, there isn't. Write butter on the list.

Daisy: OK, what about eggs? Are there any eggs?

Joel: Yes, there are some eggs here.

Daisy: Good! Is there any milk?

Joel: Milk? No, there isn't

Daisy: Now look in the cupboard. Is there any flour?

Joel: Yes, there's some flour, but there isn't any sugar.

Daisy: OK. That's everything,

Dad: No, it isn't. What about blueberries?

Daisy: Blueberries, of course! There aren't any blueberries.

Joel: Dad, can we go to the supermarket?

Dad: Yes, come on, let's go!
