HELP THE VILLAGE

A

Our village is still struggling to cope with the rising water levels. Rescue workers and volunteers are working around the clock to build flood defences and deliver supplies. Hollydale School is now a shelter for local children and we are looking for volunteers to play with them, read to them and sing them songs. If you're interested, please contact Mrs Smith on 0207 555 9854.

B

We are working hard to protect the village from flooding and we need you! Help us create flood defences around the secondary school and the houses in the lower part of the village, or collect food, blankets and medicines for children. If you are interested please contact Rescue Now at 0771 3457 960.

C

The village needs help quickly. The current flooding is the worst in years and our rescue teams are under a lot of pressure. We need people who can help plan the building of flood defences, as well as arrange deliveries of urgent supplies to the elderly and families with young children. Please contact the Mayor's office at 0207 858 9989.

Which job is best for someone who

1	would like to gather supplies?	
2	enjoys working with children?	
3	is very organised?	
4	is good at building things?
