### STARLIGHT CHRISTIAN LEARNING CENTER HYMN

Music by: Raymond Usbal

Lyrics by: Lorrence S. Dungca

And Ptr. Jose Arnie Santelices

Thank you Dear Lord Jesus Christ  
For then moon and stars at night  
And the sun that light each day  
Hoorah to God! Almighty all the way

Starlighters, inspired and strong  
Loving God all lifelong  
Jesus said we salt and light  
Near or far will shine day and night

Holy Spirit guide our dreams  
Bless our parents through thy means  
And our teachers' sacrifice  
Lead us Lord and take our flight

We are Starlight CLC  
We will learn continually  
Useful Lord I pray to thee  
Make us good and happy we will be

Starlighters, inspired and strong

Loving God all lifelong

Jesus said we salt and light

Near or far will shine day and night

We are Starlight CLC

We will learn continually

Useful Lord I pray to thee

Make us good and happy we will be

Make us good and happy; we will be

Make us good and happy we I shall be

Make us good and happy we will be
