

## 1. Послушай и повтори. Прочитай слова.

|                                                                                   |                                                                                   |                                                                                    |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |
| giraffe                                                                           | monkey                                                                            | dolphin                                                                            | seal                                                                                |
|  |  |  |  |
| lizard                                                                            | whale                                                                             | hippo                                                                              | crocodile                                                                           |

## 2. Соедини слова с картинками.

|         |           |        |        |
|---------|-----------|--------|--------|
| dolphin | crocodile | monkey | seal   |
| hippo   | giraffe   | whale  | lizard |

|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |  |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|  |  |  |  |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |

3. Соедини аудио с картинками. Повтори.

|                                                                                     |
