Look who we are, we \_\_\_\_\_ the dreamers  
We make it happen 'cause **we/they** believe it  
Look who we \_\_\_\_\_, we are the dreamers  
We make it happen 'cause we can **see/have** it

Here's to the ones that keep the **love/passion**  
Respect, oh, yeah  
Here's to the ones that can **imagine/feel**  
Respect, oh, yeah

ala ho la dan (4x)

Gather round, now look at \_\_\_\_\_  
Respect the **love/passion**, the only way  
If you wanna come, come with **me/us**  
The door is open now every \_\_\_\_\_

This one plus \_\_\_\_\_, rendezvous, all invited  
This what we do, how we \_\_\_\_\_

Look who we are, we \_\_\_\_\_ the dreamers  
We make it happen 'cause we \_\_\_\_\_ it  
Look \_\_\_\_\_ we are, we are the dreamers  
We make it happen 'cause we can \_\_\_\_\_ it

Here's to the ones that keep the passion  
\_\_\_\_\_, oh, yeah  
Here's to the ones that \_\_\_\_\_ imagine  
Respect, oh, yeah
