The Golden Touch

This is the story of a very greedy rich man who chanced upon meeting a fairy. The fairy's hair was caught in a few tree branches. Realising he had an opportunity to make even more money, he asked for a wish in return for helping the fairy. He said, 'All that I touch should turn to gold', and his wish was granted by the grateful fairy.

The greedy man rushed home to tell his wife and daughter about his new boon, all the while touching stones and pebbles and converting them into gold. Once he got home, his daughter rushed to greet him. As soon as he bent down to scoop her up in his arms, she turned into a gold statue. He realised his folly and spent the rest of his days searching for the fairy to take away his wish.
