TOM'S SPORTS BLOG

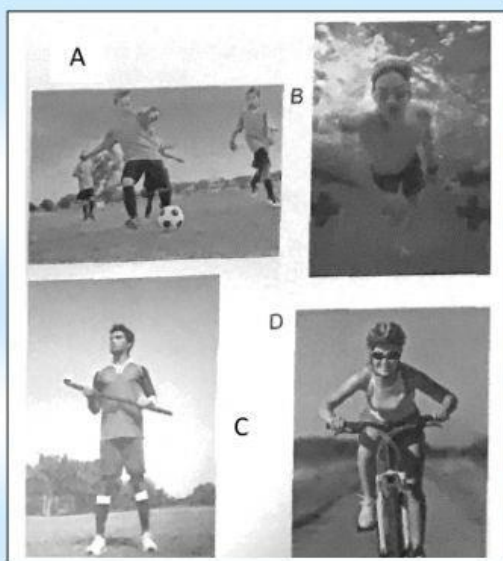

We do a lot of sports in my school in Melbourne, Australia. We've got playing fields and a big sports hall.

In winter, we always play hockey. I love . Our sport coach is crazy about hockey, too. In summer, we play tennis and go running. I don't mind tennis, but I love running.

At the weekend, I often go biking with my friend, Alexia. We usually go to the park and we sometimes play football there.

My mum and dad don't like sport, but they often come to my hockey matches. At the weekend, they go to the swimming pool, but I don't go. I like doing sports outside.
