4 **Pairwork** Ask and answer questions about the gadgets.

What's this?

It's a fidget spinner.

Cassette tape

Use: listen to music. Very popular in the 1980s.

Touchscreen glove

Use: keep your hands warm. Use your phone easily with it.

DVD for dogs

Use: for dogs indoors. Keeps your dog happy when you're out.

Fidget spinner

Use: play with it when you're bored. Tap it with your finger and it turns round. Makes you feel relaxed.

Beat the clock

How many strange gadgets and unusual objects can you think of in two minutes? Write down their names (use your own language if there is no clear translation) and what they are used for. You can use a dictionary to help you describe their uses.

LINK

Pairwork Describe the purpose of gadgets from the *Beat the clock* activity to your partner without saying their names. Your partner must guess the correct gadget.
