Petunjuk Pengisian Soal

1. Berdoa sebelum mengerjakan soal.
2. Lengkapi identitas terlebih dahulu.
3. Silahkan kerjakan soal dari yang menurut anda paling mudah.

Read text carefully!

My best friend is Wildan, and he is my classmate. We go to school together every morning. He comes from an educated family. His father is a teacher, and his mother is also a teacher.

Wildan is tall, well-built, and handsome. He is 30 years old. He has brown skin. He has pointed nose, brown eyes, and thin lips. He has thin eyebrow. He has oval face. And he has short, black, and straight hair.

Wildan is a cheerful and friendly man. Everybody likes him because he is humorous, creative, diligent and smart man. He is also kind, truthfull and obedient.

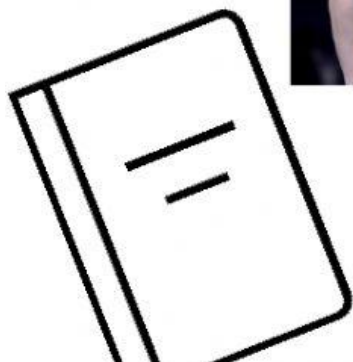

His hobbies are playing badminton, playing soccer, and travelling. And he likes sundanese food. He makes his parents very proud of him. He inspires me to work harder. I am happy to have such a friend.

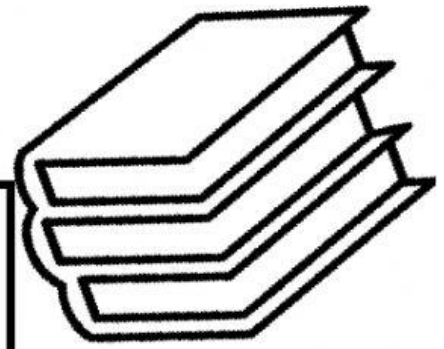

Answer questions number 1 – 4 bellow based on the text above.

1. Find out adjective are there based on the text above?
2. What is the purpose of the text above?
3. Describe Wildan's personality briefly?
4. Which paragraph is include into description about physical appearance?
5. What do you think about him? Can you describe him?
