Tubby the Labrador

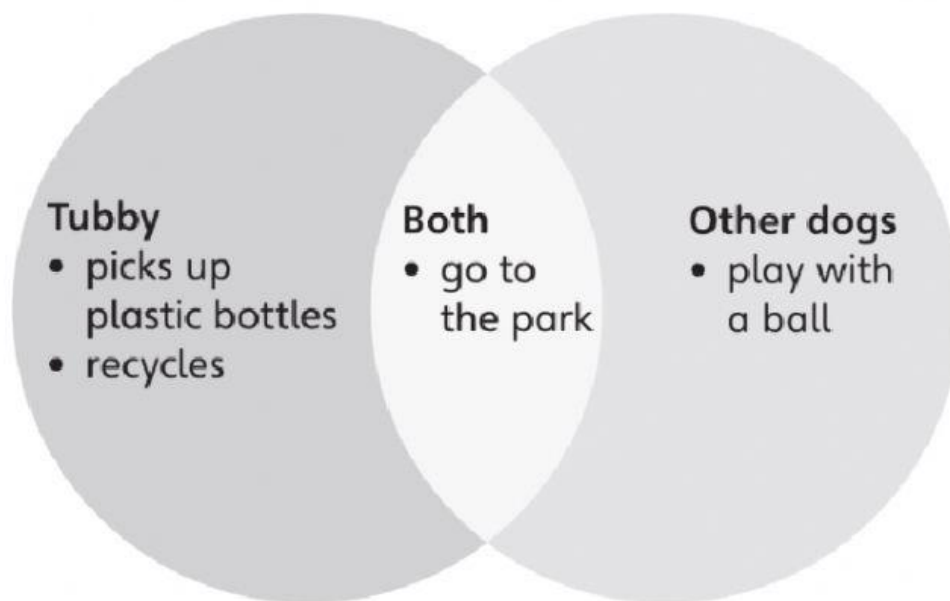

Dog Helps Planet

This is Tubby the Labrador. He's a smart dog! We all know recycling is a good idea, and Tubby knows it, too. Tubby recycles plastic bottles. Every day he goes to the park for a walk. Other dogs like to play with a ball, but Tubby never plays with a ball. Tubby always picks up plastic bottles. Tubby's owner takes the plastic bottles to the recycling center. Tubby picks up many plastic bottles every day! Tubby helps to keep the park clean.
