Task 2. Read and answer the question.**Sleep of Teenagers**

Teenagers often do not get enough sleep. Experts say that teenagers need about 8 to 10 hours of sleep each night. However, many students only sleep 5 to 7 hours.

One reason is schoolwork. Teenagers have a lot of homework and tests, so they stay up late to study. Another reason is technology. Many teens use their phones or watch videos before bed. The blue light from screens can make it harder to fall asleep.

Lack of sleep can cause many problems. Teenagers may feel tired, stressed, or even angry. It also affects their memory and learning. Some students cannot focus in class because they are too sleepy.

To improve sleep, teenagers should go to bed at the same time every night. They should also avoid using phones before sleeping and try relaxing activities like reading a book or listening to soft music.

1. How many hours of sleep do teenagers need?

2. Why do teenagers stay up late?

3. What problems can lack of sleep cause?

4. Why is using phones before bed not good?

5. What should teenagers do to sleep better?

My Love for Photography

By Eliza Brinkman

How did I get interested in photography? People usually think it's because of my uncle, the famous photographer Oliver Brinkman. Maybe you've seen his TV show, *Pictures of the World*. However, I started taking photos on a school trip. I remember my grandma lent me her camera.

When I was 16, I studied photography at college. I remember feeling really worried about the course. I loved taking photos but I wasn't sure how good I was. And sometimes it's difficult having a famous uncle. People think you'll be amazing too! My first job was at the local newspaper. My neighbour heard that the newspaper was looking for a photographer and suggested it to me. My mum said I should try and get the job and I got it! When I arrived for my first day, I found out that an old school friend was also working there.

After five years at the newspaper, I moved to London and started a job at the fashion magazine *Dream*. I loved this job. I worked in a great team; I'll always remember how kind they were to me. I went to very interesting places and worked with some famous models.

I now have my own company, ABC Photography. I have a team of photographers who take photos for different magazines. My newest project is a photography course that I've started at my company. I really want to use my experience in the photography business to help new photographers. It's very exciting!
