HOUSES TO RENT

Downland Cottage is a small house just two minutes from the library and ten minutes from the centre of town. Downstairs, there is a living room, a small dining room and a modern kitchen. Upstairs, there are two bedrooms and a large bathroom. The house is over 100 years old, but it has a new central heating system. There is a pretty garden, which is easy to look after, and a garage next to the garden. Downland Cottage is in a small, quiet road of only six houses.

Seaview is an attractive old house on the coast road with parking space for three or four cars. There aren't any neighbours close by and it's a five-minute walk from Burntown Beach. Downstairs there's a living room, a dining room, and a very big kitchen. There's also a library, so it's great for someone who likes reading. There is no central heating, but each room has a fireplace and the house is very warm. Upstairs there are four bedrooms, two bathrooms, and a shower room. The bedrooms are freshly painted and have new carpets and furniture. They all have large balconies and fantastic views over the sea.

Redcliffe is a town house and is only ten years old. Redcliffe is opposite the train station and there are regular trains to London. The house has a large living room, a kitchen, and a dining room downstairs. On the first floor there are two bedrooms and a really lovely bathroom. There is another bedroom and a small study on the top floor. In front of the house there is a small garden and a space to park a car on the street. There is a big park nearby, so it's great for anyone with children. It's a little bit more expensive, but it's a really nice family house.
