Reading Homework:

Children who eat more fruits and veggies actually do better in school.

Fruits and vegetables have many benefits.

Carrots are full of Vitamin A.

Main Idea MONDAY	Read the paragraph below. Determine the main idea and two supporting details.
FOOD FOR LIFE	
Have you ever wondered why your parents always remind you to eat your leafy greens and your sweet citrus? They have many incredible benefits to growing bodies! Many fruits contain high amounts of Vitamin C, which helps prevent illness. Vegetables are loaded with vitamins. For example, carrots are full of Vitamin A, which helps to keep eyes healthy. Studies have also found that children who eat more fruits and veggies actually do better in school! Fill those plates up with these important foods.	
MAIN IDEA: _____
