

# ENGLISH 9 - UNIT 5: WONDERS OF VIETNAM - LESSON 3

## Reading 1:

### A. Vocabulary

|                    |                 |                                                                                                                                                                                |
|--------------------|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                    |                 |  <p><i>Neil Armstrong was the first man to <b>set foot on the moon</b>.</i></p>              |
| <b>terrain (n)</b> | /tə'reɪn/       | difficult/rough/mountainous terrain                                                                                                                                            |
|                    | /ˌekwə'tɔːriəl/ |                                                                                            |
|                    | /kwɪ'ziːn/      | <p>a style of cooking</p>  <p><i>London offers a wide variety of foreign cuisines.</i></p> |

|                     |            |                                                                                                                                    |
|---------------------|------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>intrigue (v)</b> | /ɪnˈtriːg/ |  <p>You've really intrigued me—tell me more!</p> |
|---------------------|------------|------------------------------------------------------------------------------------------------------------------------------------|

**B. Read the text carefully, then choose the correct answers.**

After only 50 minutes flying from Ho Chi Minh City, you will **set foot on** the tropical paradise of Vietnam and the world: Phu Quoc Island.

The island has a roughly triangular shape with a north-south length of 50km and a west-east width of 25km. A great part of the **terrain** is filled with beautiful sandy beaches, but there is a mountainous region with 99 peaks, among which the Peak of Chua Mountain is the tallest one at 603 meters. Due to Phu Quoc's location in the Gulf of Thailand, its climate is **sub-equatorial** with temperate weather all year round, making trips to Phu Quoc possible any time in the year. However, the best time to travel to this island is during the dry season, from November until March, when the sky is blue and clear and the rains are away.

Phu Quoc is most famous for its **cuisines** and a natural wonderful coastline. The most famous food of Phu Quoc is fish sauce, which has become quite popular all over Vietnam and the world. Besides, another thing worth trying there is the spicy yet interesting black pepper. However, the factor that will definitely **intrigue** you to visit Phu Quoc is its untouched coastline featuring several heavenly beaches. They have yet to be explored to their full ability, but this fact might be actually positive as it gives the shores a romantic beauty that you can find in nowhere else in the world.

- What is Phu Quoc Island regarded as?
  - Pearl of the Orient
  - Tropical Paradise
  - City of Eternal Spring
  - Lanterns Paradise
- According to the passage, Phu Quoc Island \_\_\_\_\_.
  - has both beaches and mountains
  - doesn't have much tourist attraction
  - has the tallest mountain in Vietnam
  - doesn't have rains all the year-round
- Tourists can visit Phu Quoc anytime in the year thanks to \_\_\_\_\_.
  - its location by the sea
  - its friendly local people
  - its temperate climate
  - its dry season
- What are PhuQuoc's specialities?

- a. red pepper and fish sauce
  - b. black pepper and dried fish
  - c. red pepper and soya sauce
  - d. spicy black pepper and fish sauce
5. The word “intrigue” has the closest meaning to \_\_\_\_\_.
- a. attract
  - b. promote
  - c. inspire
  - d. pay attention to
6. Which of the following statements is NOT true?
- a. Phu Quoc Island is located in the Gulf of Thailand.
  - b. The beaches in Phu Quoc Island have been explored to their full potentials.
  - c. Phu Quoc’s dry season begins from November and lasts through March.
  - d. The island is roughly triangular in shape.

### C. Vocabulary game:

#### Reading 2:

##### A. New words:

|            |                     |                                                                                                                                                                                           |
|------------|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|            | /ˈtrɒpɪkl/          | <p>coming from, found in or typical of the tropics</p>  <p><i>tropical climate, tropical fruits</i></p> |
|            | /sɪstəm/            |  <p><small>Hệ sinh thái rừng mưa nhiệt đới</small></p>                                                |
| be home to |                     | <p><i>Vietnam is home to a lot of beautiful flowers such as lotus and apricot blossom.</i></p>        |
|            |                     | <p><i>At the time she was under the influence of her father. She had to do whatever her father told her to.</i></p>                                                                       |
|            | /ˌkɒn.trɪˈbjʊː.ʃən/ | <p><i>Marie Curie is famous for her contribution to science.</i></p>                                                                                                                      |

##### B. Choose the correct answers to complete the passage.

Ha Long Bay is a UNESCO World Heritage Site and popular travel (1) \_\_\_\_\_ in Quang Ninh Province, Vietnam. The bay features thousands of limestone karsts and isles in (2) \_\_\_\_\_ shapes and sizes.
