

You've got a friend in me

Randy Newman

You've got a friend in me
You've got a friend in me
When the looks rough ahead
And you're miles and miles
From your nice warm
You just what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
If you've got , I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it
'Cause you've got a friend in me
Yeah, you've got a friend in me
Some other might be
A little bit than I am
Bigger and too, maybe
But none of them will ever love you
The way I do, it's me and you, boy
And as the years go by
Our will never die
You're gonna see it's our
You've got a friend in me
You've got a friend in me
Yeah, you've got a friend in me
