SHOPPING:

TEEN TRENDS

It's Saturday morning and Olivia, 16, is going into town with some friends like they usually do.

Their day begins in a coffee shop. 'We have frappuccino coffees and chat,' Olivia says. ¹ 'We like finding the latest fashions on Pinterest or Instagram.' Like adults, many teens want **good value for money**. 'If there's something new I want, but it's too expensive, like these cool trainers I saw the other day, I won't get them till they're on sale a few weeks later.' ² 'And you can sometimes get discounts at the **checkout** when you're paying,' says Olivia. Although girls are more likely to spend money on jewellery or make-up, both sexes are into looking good and buy high-quality hair and body products. ³ 'This means downloading apps is a favourite activity.'

Teens shop on the internet because 'online companies don't always charge you as much money and it's easy,' says Olivia. ⁴ 'For example, sometimes we go to a gaming store and try out several new games. A lot of games cost more than we **can afford**, so we wait until there's a **special offer**, when you can get two games for the price of one and that kind of thing.' ⁵ 'There's no brand new stuff on them but you can save a lot of money.'

After that, Olivia and her friends go for lunch. 'I love any healthy food, especially organic stuff,' says Olivia. 'We go anywhere that serves it – plenty of places do, but it can be expensive. After that, I don't usually have any money left!' laughs Olivia.

- A Some people I know send everything back.
- B While they're there, they also do some online shopping.
- C They're also **keen on** keeping their mobile technology up to date.
- D You can usually get anything new that way if you're prepared to wait!
- E You can get refunds online but it takes longer.
- F There are plenty of **second-hand** websites, too, where stuff's even cheaper.
- G I'm not really interested in buying things like that.
- H But they still enjoy looking around the shops.
