

Ed Sheeran & Elton John - Merry Christmas

[Intro]

Build a fire and gather 'round the tree
Fill a glass / cup and maybe come and
sing with me

[Chorus]

So kiss me next to / under the
mistletoe
Pour out the wine, let's toast and pray
for December snow
I know there's been pain / brain this
year, but it's time to let it go
Next year, you never know
But for now, Merry Christmas
We'll dance in the kitchen while
embers blow / glow
We've both known love, but this love
we got is the best of all
I wish / would you could see it through
my eyes then you would know
My God, you look beautiful
Right now, Merry Christmas

[Verse 1]

The fire is raging on
And we'll all sing / sang along to the
song
Just having so much fun
While we're here, can we all spare a
thought
For the ones who have gone?
Merry Christmas, everyone

[Chorus]

[Verse 2]

I felt / feel it when it
comes
Every year, helping us
carry on
Filled up with so much
love
All the family and
friends all together
Where we all belong
Merry Christmas,
everyone

[Outro]x4

It's Christmas time for
you and I
We'll have a good
night and a merry
Christmas
