

The Christmas Ghost Songs

Listen to the songs and learn the words

It's Christmas Eve

It's December 24th
The of Christmas Eve
You don't have to be frightened
You don't have to scream
We all try to
It's exciting and it's fun
But will the Christmas
Come to visit someone...

It's Christmas Eve
Ooo, ooo, ooo
The Christmas Ghost will come...

I Love Christmas

People are, meeting their friends,
smiling and waving, I don't want it to end.
Buying the presents, eating the,
Singing the songs, I feel just in the mood.

Oh, I love Christmas, its Christmas I love,
Yes I love Christmas, its Christmas I love.
We all love Christmas, its Christmas we love,
Yes we love Christmas, its Christmas that we
love.
