3. LET'S SPEAK:

Put yourself in this situation:

You are the winner

of a knowledge contest.

The first

prize is to study in

a foreign country for a year. So,

you travel to a complete new place where

people only speak

English. It's your 1st day of classes and your teacher asks you to introduce

yourself to your new classmates (give your personal information).

Use your last session writing with your personal information and record a WhatsApp audio as your introduction to your new classmates and send it to your teacher Cecilia.

A PIECE OF ADVICE:

You should listen to the correct pronunciation in Google Translator and practice many times before you send your audio.
