Push Pull Factors

Immigration is when people move from one country to another country to live.

There are certain things that make people move away or to a country.

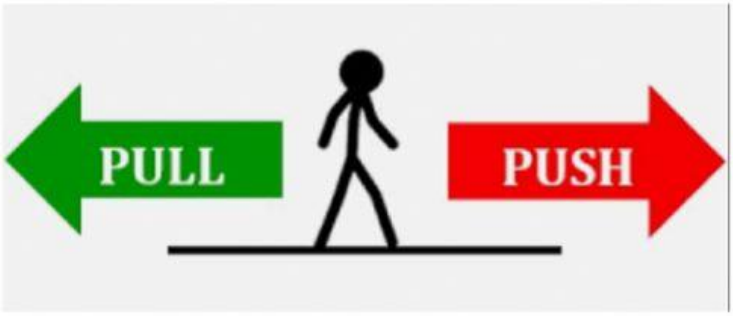

PUSH factors make people move away from a place.

PULL factors make people want to move to a place.

Decide if each is a **push** or a **pull** factor

war	Freedom	Jobs	No jobs	pollution	Good education
Poor health care	Good health care	Nice environment	Drought	violence	Safe food supply
