

## Alice Is Sick

It is 7 a.m. Alice is sick. She has a sore throat and a bad headache.

Alice is a receptionist. She works in a small office. She does not get sick days or personal days.

She wants to stay home and rest. But she will not get paid. What should she do?

### What should Alice do?

Stay home and rest.

Take some medicine. Then, go to work.

Go to work. Then, go home early.
