

LAST CHRISTMAS (TAYLOR SWIFT VERSION)

Last Christmas, I (give) you my heart

But the very next day you (give) it away

This year, to (save) me from tears

I'll give it to someone special

Once bitten and twice shy

I (keep) my distance, but you still (catch) my eye

Tell me, baby, you (recognize) me?

Well, it's been a year, it (not surprise) me

"Merry Christmas, " I (wrap) it up and (send) it

With a note (say) "I love you, " I (mean) it

Now I (know) what a fool I've been

But if you kissed me now, I know you'd fool me again

A (crowd) room and friends with tired eyes

I (hide) from you and your soul of ice

My God, I (think) you (be) someone to rely on

Me? I guess I (be) a shoulder to (cry) on

A face a lover with a fire his heart

A girl cover, but you (tear) her apart

Maybe this year, maybe this year

I'll give it someone special

'Cause last Christmas, I gave you heart

But the very next day gave away

This year, to save from tears

I'll give to someone special

And last Christmas

And this year

Won't be anything like, anything like
