4 Read and answer. (5 points)

In Alaska, US, there's a town called Whittier. There are 200 people in the town. The people all live in one building. It's big. It's blue and orange. There are a lot of windows and doors. The people don't have a garden outside. They have a playground inside. It has swings. They have balconies with plants and trees. Their homes have bedrooms. They have a living room, too. The bathroom is between these rooms. And the dining room is next to the kitchen. It's cool!

1. Is this building big or small?

   _____

2. What color is the building?

   _____

3. Is there a garden outside?
