

MATEMÁTICAS

1. Realiza este crucigrama matemático:

2. Averigua cuánto vale cada fruta con la ayuda de estas operaciones:

$$\begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} + \begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} + \begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} + \begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} = 16$$

$$\text{Strawberry} + \begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} + \text{Strawberry} = 14$$

$$\begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} + \text{Orange} + \text{Strawberry} + \text{Orange} = 21$$

$$\begin{array}{c} \text{Kiwi} \\ \text{Kiwi} \end{array} = \quad \text{Strawberry} = \quad \text{Orange} =$$
