

Stayed in bed all mornin' just to the time

There's somethin' here, there can be no denyin'

One of us is changin', or we've just stopped tryin'

And it's too late,, now it's too late

Though we did try to make it

Somethin' has died

And I can't hide and I just can't fake it

It used to be so, livin' here with you

You were light and breezy, and I just what to do

Now you look so and I feel like a fool

There'll be good times for me and you

But we just can't together, don't you feel it, too?

Still I'm glad for what we had and I once loved you
