

### Writing 1: Items 1 - 7

**Situation:** You are writing a diary describing a trip to a zoo.

Dear Diary,

Today our class teacher took us to a zoo. I was quite \_\_\_\_1\_\_\_\_ about the trip because I love animals.

We \_\_\_\_2\_\_\_\_ many birds in the zoo. They didn't look happy in their cages. The monkeys looked sad in their small enclosure. The situation of the lion, tiger, and leopard was not \_\_\_\_3\_\_\_\_ either. They were kept inside tiny cages. They got absolutely no opportunities to walk or run. They paced their small cages up and down \_\_\_\_4\_\_\_\_ restive and angry. At least they seemed \_\_\_\_5\_\_\_\_ and I was told they also received medical attention whenever they showed signs of illness.

I am not saying that zoos are bad. They \_\_\_\_6\_\_\_\_. I know I can't do anything for them, \_\_\_\_7\_\_\_\_ I can't help feeling bad for them. I don't think I will visit a zoo again.

### Writing 2: Items 8 - 15

**Situation:** You have seen the animal documentary and you are now sharing what you have learned about it.

Recently, I \_\_\_\_8\_\_\_\_ an animal documentary on YouTube. It was about crocodiles. Crocodiles are amphibians. That means they \_\_\_\_9\_\_\_\_. There are many \_\_\_\_10\_\_\_\_ of crocodiles such as saltwater crocodiles, freshwater crocodiles, American crocodiles, Siamese crocodiles, and Chinese crocodiles. The species tell the \_\_\_\_11\_\_\_\_ (small or large) and \_\_\_\_12\_\_\_\_ (what they like to eat, where they like to live, and they are fierce). I always feel \_\_\_\_13\_\_\_\_ of them because they are the predators. They can eat humans and other animals. Though crocodiles are predators, \_\_\_\_14\_\_\_\_ activities can \_\_\_\_15\_\_\_\_ them. For example, humans hunt and kill crocodiles for food, hobby, and business.
