

a) You need someone to repeat the underlined information (you did not hear it well). **Ask a wh- question** to find out the information. The answer must be the underlined part.

1. I have another mouse in that box.
2. We have a videoconference at two o'clock.
3. The computer has a virus because we haven't got a decent firewall.
4. I've got to buy three more computers.
5. Your secretary's got my phone number.
6. The general manager has my report on her desk.
7. The biggest PC has four USB ports.  
(The answer to your question would be "The biggest one").
8. You have more power by using two processors.
9. That monitor has an £80 discount.
10. We have our next meeting on Thursday.
