Note: Tones on “一” (yī) : The numeral “一” (yī), when used as a cardinal in counting has the high level tone. When it is followed by a fourth tone, or a neutral tone, it tends to become a second tone; however, when it is followed by other three tones, it tends to become a fourth tone.

Note: “兩” (liǎng) is a bound form. It can never be used alone. It always to be followed by a measure word.
