

Natural Wonders of The Bahamas

The following places are considered to be just a few of the natural wonders that exist in our beautiful country. They are also places where tourists and Bahamians alike can take part in some eco-tourism activities. Conduct research to determine the location where each can be found and fill-in-the-blanks spaces with the correct answers.

1. The Bahamas National Parks
2. Joulter Cays
3. Tongue of the Ocean
4. Bimini Road
5. Barrier Reef
6. Blue Holes
7. Land Caves
8. Underwater Caves
9. Rainbow Cliffs
10. Salt Ponds
11. Primeval Forest
12. Shark Diving
