

VOCABULARY Food

A Match the kinds of food in the box to the pictures.

meat	dairy products	fruit	nuts	drinks
fish	vegetables	beans	seafood	

2 Work in pairs. Decide which word does not go in each group (1-7). Use the correct sentence from a-g to explain why. The first one is done for you.

1. salt / sugar / pepper / spices / water

They're all things that we add for flavour except water.

2. potatoes / pasta / cream / rice / bread

3. wine / milk / cheese / butter / cream

4. apples / oranges / eggs / kiwis / bananas

5. juice / coffee / carrots / tea / beer

6. lemons / onions / garlic / potatoes / spinach

7. tomatoes / beef / lamb / pork / steak
