Masdar City is located in the \_\_\_\_\_<sup>1</sup>, \_\_\_\_\_<sup>2</sup> kilometres from Abu Dhabi.  
Work started on the city in \_\_\_\_\_<sup>3</sup>. The first \_\_\_\_\_<sup>4</sup> buildings were completed  
by \_\_\_\_\_<sup>5</sup>. The city is designed to be \_\_\_\_\_<sup>6</sup>-neutral and to only use \_\_\_\_\_<sup>7</sup>  
energy. The streets are kept cool by a \_\_\_\_\_<sup>8</sup>-metre wind tower. This is a \_\_\_\_\_<sup>9</sup>  
design. There are large windows to use more \_\_\_\_\_<sup>10</sup> light and there are no cars in the city.  
There is a \_\_\_\_\_<sup>11</sup> in Masdar which carries out important \_\_\_\_\_<sup>12</sup> and  
development into \_\_\_\_\_<sup>13</sup> living.
