

I won't _____ to you

I _____ he's just not right for you

And you can _____ me if I'm off

But I _____ it on your face

When you say that he's the one that you _____

And you're spending all your time

In this wrong situation

And anytime you _____ it to _____

I know I can treat you _____ than he can

And any girl like you _____ a gentleman

Tell me, why are we wasting time

On all your wasted crying

When you should be with me instead?

I know I can _____ you better

_____ than he can

I'll _____ time for you

The second you _____ you'd like me too

I just wanna _____ you the loving that you're missing

Baby, just to _____ up with you

Would be everything I _____, and this could be so different

Tell me what you want to _____

'Cause I know I can treat you better than he _____

And any girl like you deserves a gentleman

Tell me, why are we wasting time

On all your wasted crying

When you should _____ with me instead?

I know I can treat you better

Better than he can

Better than he can

_____ me a sign

_____ my hand, we'll be fine

_____ I won't let you down

Just know that you _____

Have to do this alone

Promise I'll never _____ you down

'Cause I know I can treat you better than he can

And any girl like you deserves a gentleman

Tell me, why are we wasting time

On all your wasted crying

When you should be with me instead?

I know I can treat you better

Better than he can, oh

Better than he can

Better than he can
