Hello, I am Lan. I often visit my grandparents in a small village at the weekend. My grandparents' house is big. There is a large yard in front of the house. Its roof is red and its walls are yellow. There are two doors and six windows. They are both green. There are a lot of trees and flowers around the house. The gate is black and the fence is brown. My grandparents' house is near a big lake. I enjoy going fishing with my grandfather there because I find it really relaxing. Besides, I feel excited about my grandmother's garden behind the house. That is very memorable.
